Class Name: Conway Term : Autumn 1 2024 Funny Faces and Fabulous Features

What we have been learning

What a fabulous start to the year in Conway Class!

We are so proud of how quickly everybody has settled in and are forming positive relationships with the staff, developing self-awareness and communicating to get their needs met.

It has been heart warming to see so many smiling faces on a morning and the children have adapted well to their new class routines.

Day to day, the children have been busy exploring their indoor and outdoor environment, and developing their independence along the way.

Our activity stations have included a variety of Communication, English, Maths and Understanding of the World activities and the children have had access to these with the support of our amazing staff team.

The children have been amazing at getting stuck in and trying new things. We can't wait to see where our learning takes us after half term!

Have a lovely break everybody!

Catherine, Emma, Nikki, Sarah and Jayne
