Class Name: Danby

Term 1 2024-2025

Topic: Me, Myself, and I!

What we have been doing this term:

Some photos of us!

Danby class has a busy term!

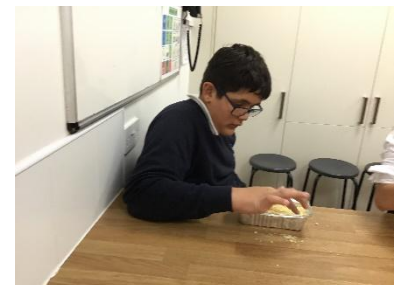

In literacy we have been reading stories on our own, as well as listening to stories. We have had opportunities to answer questions from the story and put events from the story in order to retell what happened.

In Maths we have focused on graphing, including creating bar graphs. Every morning we add to our weather graph and ask and answer questions regarding which has more, which has fewer, and are any the same or different.

Danby class has really been enjoying our morning communication and share time. Many students bring in (or parents email pictures) in order to support students in sharing experiences at home.

We have all enjoyed our cooking lessons and PE where we are becoming more confident and independent.

It's been a great start to Danby class and we look forward to next term. Enjoy the break.

Dates & Points to remember:

Last day of term: 25/10/24

First day back: 4/11/24

Cinema: 21/11/24

Park Trips: Every Thursday weather permitting
