Class Name: Term:

Term 1 2024-2025

Topic: Me, Myself and I.

What we have been doing this term:

Some photos of us!

Maths

During our maths sessions this term, our focus has been on number. We have been working on addition ranging from number recognition to number bonds to 10, 20 and 100. Some students all worked on adding together two digit numbers to two digit numbers using concrete resources and even worked on crossing the 10s.

English

We have been reading Flossie Albright's secret World War 2 diary and thinking about other people's feelings and points of view. Next term we will be looking closely at the features of a diary and writing our own entries on Clicker.

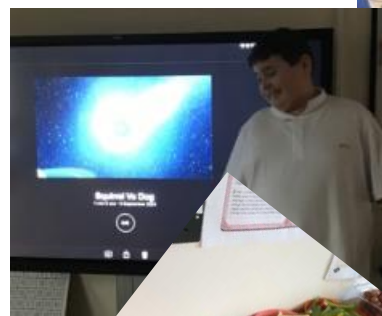

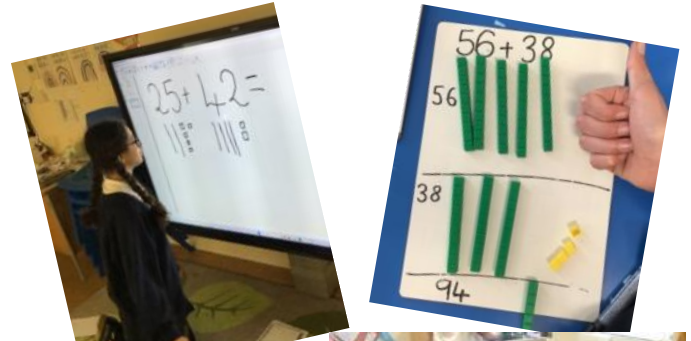

Cooking

This term, Portchester have had cooking sessions led by Stef each week. The students have gone shopping in small groups to buy the ingredients to cook pretzels, pizza, vegetable muffins, vegetable soup and bread rolls.

Topic/Art

As part of our exploration, we have been looking at works by Mexican artist, Frida Kahlo. We have explored the idea of painting ourselves to show how we are feeling. We have looked at the Day of the Dead celebration and created our own sugar skulls out of clay.

Have a fantastic half term! 😊
