

# Classroom News

Class Name Wallingford

Term 1 2024-2025

## What we have been doing this term:

Wonderful Wallingford made a fantastic start to the school year 2024/25. We welcomed two new members to the class and they have settled in well to Post-16 life.

Wallingford class have worked exceptionally hard on their teamwork and communication, talking about and sharing what makes us happy or worried and who can help us if those feelings are over whelming. Our PSHE sessions this term have revisited how to keep ourselves safe at home, when we are out in the community around strangers and which strangers might be safer if we need help.

We have been focussing our work in the community on communicating with café staff to order drinks and snacks and pay for them too. We have loved cooking with increasing independence and enjoying well being activities like foot spas and gardening.

Have a great half term!

*Emma, Michaela, Maveric,  
Tracy and Sharon*
