

Classroom News

Class Name: Tiverton

Term: Term 1

Topic: All about me

What we have been doing this term:

Tiverton have had a brilliant start to the new school year and have been very busy!

In **maths** we have been learning about multiple topics within number. We have looked at odd and even numbers, estimation, times tables and division.

In **English** we have been learning about autobiographies; exploring and analysing their features, looking at what an autobiography is and even writing our own. Each pupil has designed a front cover for their very own autobiography, written its contents and created a blurb. This was a wonderful project and I am so proud of everyone's final pieces!

We have been exploring possible future careers in our **World of Work** sessions (WoW) and researching the skills and qualifications we would need to achieve our dream jobs.

In **science** we have been learning all about humans. We have learned about the human life cycle, what humans need to survive and grow, a healthy lifestyle, mental and physical health. Engagement in science this term has been amazing and we have had lots of interesting and insightful discussions.

In **history** we have been learning a range of important historical skills. We have been developing our research skills, asking questions, making comparisons and making observations.

Badminton has been our focus in **PE** this term and the skill progression has been amazing! In **PSHE** we have been learning about bullying and discrimination, topics which all students handled with maturity and sensitivity.

We have also really enjoyed going to the park each Friday afternoon, engaging in activities such as pumpkin carving and watching a movie together ☺

Some photos of us!

Dates & Points to remember:

First day back: Monday 4th November 2024

Cinema trip: Thursday 13th November 2024

Fire Station trip: Wednesday 27th November 2024

Pets at home trip: Thursday 28th November 2024

Soft Play trip: Friday 13th December 2024

Last day of term: Thursday 19th December
