Class Name: Whittington

Term: Term 2

2024-2025

Topic: Peace and Conflict

What we have been doing this term:

Some photos of us!

Whittington have had a productive and creative autumn term!
In English, we have been focussing on our catapult learning which encompasses understanding and using new vocabulary, reading and written skills. We have read reports from around the world in order to gain perspectives from people who have experienced shocking or moving events. This involved reading diary extracts from WW1 which conveyed first hand powerful emotions and responses.

In Maths, we have completed our unit about distance-time graphs and gradients. We have learnt to accurately read graphs and plot different distances and time in order to calculate average speed.

Whittington have really enjoyed cooking this term. Experimenting with different flavours, textures and adapting our own recipes. A hit dish was lamb Koftas!

In Science, we have looked at the PH chart and identified (using a wide variety!) if a substance is acid or alkali. We have enjoyed learning about Light and understanding about Refection - including shadows.

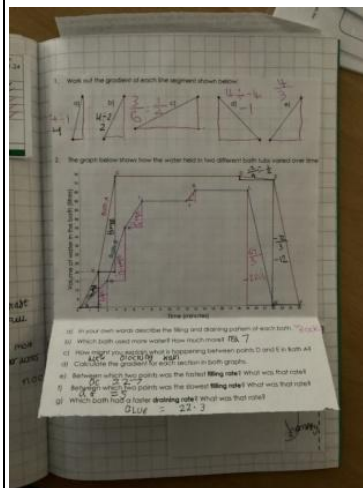

DT has enhanced our imaginative and inventive skills greatly! We have created wooden candle holders and jewellery boxes.

Students have fully emerged themselves in their offsite activities this term. These included visiting a care farm, conservation centre, sailing and Parkour.

We hope you have a Lovely Christmas break!

See you in the New Year,

The Whittington Team 😊

Dates & Points to remember:

Last day of term: Thursday 19th December 2024

First day back: Tuesday 7th January 2025
