

Classroom News

Class Name: Windsor

Term: 2 2024-2025

What we have been doing this term:

In English, we have been writing about our experiences and trips into the community. Students have been communicating well with librarians and garden centre staff. We use switches, communication aids, Makaton, gesture and our voices, to communicate. We have been to Newbury library, and to the garden centre and are doing really well with transitions. The Librarian has invited us back for a special project in the library, in January. We have enjoyed choosing books to take back to school.

We loved going to the garden centre and seeing all the special Christmas lights. We hope you like the photos on your Christmas cards!

We have had some special visitors this term, and we very excited to have a pop party with Singing hands! We also enjoyed a visiting panto. We have also taken part in Remembrance day and Christmas activities with other classes.

We have been working very hard as a team, towards the Agricultural Challenge. We have finished our collage, which is a view out of our classroom window. We have even made the squirrels and ducks that sometimes visit! We have been working on lots of crafts to help with our competition. Some of us have especially enjoyed painting and getting messy, and have been communicating more and finished really well.

Windsor class have been working on developing our understanding of shapes and patterns in maths this term. We have been finding patterns in Rangoli and in Pudsey bear pictures. We have made repeating shape and Christmas patterns. We are getting really good at using giant peg boards to make patterns too. We have also been practicing our money skills in our snack shop lessons.

In cooking lessons, we have been exploring textures, and have made toast, cheese straws and rice Krispie Christmas puddings! Some of us are starting to follow recipes and are helping to do the washing up.

In PSHE, we have been learning about annual health checks, at the doctors. We made letters, detailing our preferences and adaptations, which we have sent home. Just a reminder that all people with an EHCP, can book an annual health check, with their GP.

Some of us have been enjoying rebound therapy, and hydro therapy and have been doing so well.

We have been busy practicing our Christmas show song, we hope you enjoyed watching it. We hope you have a lovely Christmas holidays. We are looking forward to lots of exciting trips and activities

Some photos of us!

Dates & Points to remember:

First day back: 7th January 2025
