Class Name: Calshot Class

Term: Autumn 2

Term 2 2024-2025

What we have been doing this term:

This half term Calshot has continued on with their successful enterprise 'Calshot Café'. With different roles in their teams, the students have successfully managed to serve Post 16 every Friday with hot drinks, hot foods and snacks. As well as this, our class have incorporated the area of Skills Builder, expanding on their skills required for the working world and life beyond Post 16.

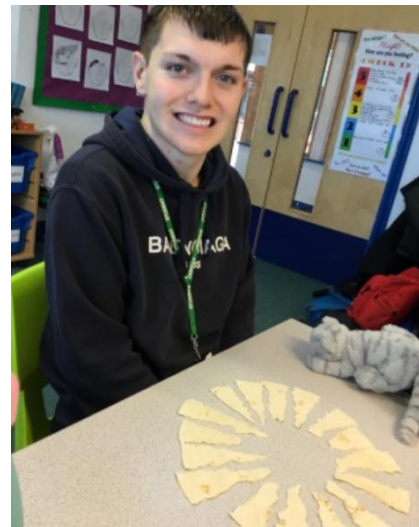

Also this term, we introduced an art session, where we have looked at different painting and visual techniques to create some impressive artistic illusions. This has also tied in well with Christmas, giving inspiration to different amazing products of art.

This term also saw the continuation of Functional Skills, expanding on our use of time, money, reading and writing in its most functional contexts. This also again included use of the community and giving our students a greater degree of independence when working in groups to complete objectives.

It has been a great joy celebrating festivities in Calshot class and our class cinema trip and end of term celebrations have been enjoyed by everyone. We wish you a good winter break, however you spend it
