

# Classroom News

**Class Name:** Pembroke

**Term:** 2 2024-2025

**Topic:** Starry Starry Night

## What we have been doing this term:

## Some photos of us!

This term we have been exploring more of our outside areas and have loved transitioning over to Liddington field and exploring the track, zip wire and climbing frame! We also had the opportunity to visit a pantomime company who came to our school and we thoroughly enjoyed their performance of 'Jack and the Beanstalk'. In addition to this, we also had a visit from the lovely ladies from Singing hands and we were even able to request some of our favourite songs! We have also been cooking. We started off with making buttercream for our breadstick sparklers. We have then made a few different biscuits with different cutters and then tasting them!

We have loved our topic of Starry Starry Night and within this we explored space, the planets, shooting off to space and counting down from 10 to blast off! We also engaged really well in our story 'Whatever Next' and particularly enjoyed recreating the story with props. This earned us our very own build a bear teddies which have gone home with the children! Finally, we have started to celebrate Christmas and with this have created some of our own Christmas crafts, including cards and decorations. We particularly enjoyed our 'Wessex house family festive fun' last week and loved having our families in to celebrate Christmas with us and meet Father Christmas!

We hope you all have a truly wonderful Christmas and look forward to seeing what the new year will hold!

## Dates & Points to remember:

Last day of term: Thursday 19<sup>th</sup> December 2024

First day back: Tuesday 7<sup>th</sup> January 2024
