

Classroom News

Class Name: Conway

Term : Autumn 2 2024

Theme: Starry, Starry Night

What we have been learning

It's been a wonderful half term in Conway Class.

The children continue to play alongside each other and are working hard to share our resources. The children continue to build relationships with the staff and their peers which has been beautiful to be part of.

The children have enjoyed our topic of Starry Starry Night. Our story for the term has been 'Whatever Next' by Jill Murphy. We have explored light & dark, planets, stars and rockets. We had a great time acting out the story by sitting in our own cardboard box rockets to zoom to the moon! We even won some beautiful teddies which the children will be bringing home on Thursday.

In Maths, we have learnt about shape and used different shapes to make our own rockets with paper and building blocks. We've also been counting to 5 and down from 5 before blasting off!

We've also done a lots of cooking this half term. The children have made and decorated biscuits, melted chocolate to make breadstick sparklers, practised spreading jam on our toast and mixed ingredients to make different types of dough.

Over the last couple of weeks we have been celebrating Christmas. We have listened to lots of Christmas songs while we have made our own Christmas crafts. We had a great time at our Festive fun afternoon last week.

We hope you all have a wonderful Christmas and New Year and look forward to seeing what 2025 has in store!

Catherine, Emma, Nikki, Sarah and Jayne

Important Dates:

Tuesday 7th January – Term 3 Starts

Friday 14th February – Term 3 Ends

Monday 24th February – Term 4 Starts
