Class Name: Term: Term 3 2024-2025

What we have been doing this term:

Some photos of us!

It has been a great term in Arundel Class! We have really enjoyed our morning settling time, playing games including Uno, Uno Mercy and 5-Alive. Students have been patient and respectful, waiting to take their turn and even apologising for a pick-up 10 card!

We began the term by talking about World of Work. We wondered, why do we come to school? What helps us to learn? Students began exploring aspirations for their future and we learned about a growth mindset.

In maths, we have been learning about multiples and factors, making links with our times tables.

In English, we have begun to explore creative writing, as well as focussing on our punctuation and grammar.

In PE, we really enjoyed doing a bleep test. We've also been on a run, had a go at circuit training and, most recently, have begun practising our badminton skills.

In cooking, we have made fruity muffins, macaroni cheese, carrot cakes and scone-based pizza. It is wonderful to see the development of everyone's cooking and baking skills!

Friday options have seen us take part in drama, enterprise, art, German and cricket. Fridays are a lovely opportunity to spend time in activities alongside students from other classes.

Also, this term, we have enjoyed various different offsite visits including Smelly Wellies, Earth Trust and a visit to the Reading buses depot. I'm not sure how we've managed to fit so much into just a few weeks!

Dates & Points to remember:

We wish you all a very happy half term,

Last day of term: Friday 14th February
First day back: Monday 24th February

From the Arundel team 😊
