Class Name: Skipton

Term 3 2024-2025

Topic: Happily Ever After

## What we have been doing this term:

In English we have been focusing on the story of Goldilocks and the 3 bears. We have focused on story language key words such as; character, setting, front cover, title, back page including the blurb. We have also focused on descriptive language used to enhance the story for the listener and have produced a fabulous display in the classroom. The class have enjoyed, listening to the story, reading it to each other and acting out the story using shadow puppets.

In maths we have been focusing on addition and subtraction during number lessons, as well as number order and counting. We have also looked at measuring and have our own class height chart which we will mark as the year goes on. We have also focused on the topic of measures and have looked at a range of vocabulary; long, short, tall, big small and using these words to compare. We have moved onto measuring items using non-standard measures.

In cooking we have made; porridge, bear cakes, fruit kebabs and look forward to making Goldilocks cakes this week.

Everyone has been working hard on their own EHCP targets every morning.
