Class Name: Cardiff

Term: Spring 1 2024-2025

Topic: Pets

What we have been doing this term:

It's been an amazing term in Cardiff class learning all about different pets.

Art has been one of our favourite lessons this term using lots of paint and different mediums to create art work based on the carnival of animals. Each week we have listened to the different types of music on the whiteboard which represents the animal we are learning about that week.

In English we have been listening to our sensory story called The Perfect pet. The pupils have enjoyed pet matching activities and exploring all the different pets we may have at home.

In phonics we have been using our listening skills to recognise different animal sounds on the whiteboard which has been lots of fun.

During cooking and food play we have explored lots of new fruits and vegetables. During Chinese new year week we had water in a tray with some sliced up oranges. We enjoyed splashing the oranges around and even some of us eating them!

We have been practicing our maths skills in adventure time by exploring lots of different math activities. From ordering numbers from 1-5 to finding and naming the shapes in the sand pit!

Hydro is still a massive highlight of the week, we all get super excited when it comes to Friday and we know it's time to splash in the pool. It's been lovely seeing the pupils confidents grow in the water.

Some photos of us!

Dates & Points to remember:

- Last day of term: **Friday 14th Feb**
- First day back: **Monday 24th Feb**
- World Book Day: **Thursday 6th March**
