

Classroom News

Class Name: Pembroke

Term: Term 3 2024-2025

Topic: Pets

What we have been doing this term:

This term we have been exploring our topic of 'Pets'. Throughout this term we have been working towards our visit to a pet shop. In art we have created some wonderful pieces including some beautiful pet masks. We have been smelling different pet food, playing with different toys and most importantly working on being gentle and caring towards pets and each other! Related to this we have celebrated lots of our friends birthdays and the children have all been developing their relationships and friendships towards each other! This term we also celebrated the Lunar New Year! We have sampled some different food items including vegetable and duck spring rolls, we have done some wonderful mark making and made some wonderful Chinese New Year dragons!

This term we have seen more children in the hydro pool and seeing their confidence grow in the water has been truly wonderful!

In cooking, we have been exploring different areas of the kitchen. We have been making lots of different pizzas where we have tried and sampled a range of different items.

We have been using the oven (with adult supervision), washing up and making sure we allow food to cool down before attempting to eat it!

In PE we have continued with ensuring we are keeping safe and explored different heights. In this we have had to learn to take turns and be patient in doing this.

Finally, we have been building up our transitioning skills and ensuring that we keep safe when we are doing it. We have been working to move around the school for a variety of different purposes, exploring the track every Tuesday and as a class going to visit the Pet Shop!

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 14th February 2025.

First day back: Monday 24th February 2025.

Trip to the theatre: Friday 7th March 2025.
