

# Classroom News

Class Name: Powis

Term: Spring 1 2024-2025

Topic: Pets

## What we have been doing this term:

Powis class have had lots of fun learning this term, especially with the topic of Pets!

In adventure time we have been exploring the names, sights, sounds and textures of different pet animals, through role-play with toys and puppets, songs, signing and more!

In cooking and food play we have been exploring dry foods, touch and taste, and role playing sharing some carrots with bunnies. Everyone's confidence around food has definitely grown this term.

In numeracy we have been practicing our number recognition with Numicon between one and five. Everyone always enjoy the supporting activity where we take turns choosing a 1-5 song to play on the interactive board.

In PE we have been practicing the different activities in a sensory circuit, everyone has taken part in every activity it has been great fun.

For Chinese New Year, we tried some noodles with chopsticks and prawn crackers, yummy! We also made some great Chinese lantern pictures.

In story time we have been exploring a sensory story called "CJ the library cat". We have done really well sitting in a circle and engaging with the story.

In Independence sessions we have practiced our brushing and grooming hair. We have practiced grooming furry fabrics, toy pets, and even ourselves.

I'm looking forward to Powis exploring fairytales next term.

Tim
