Class Name: Twizel

Term: Spring 1 2025

What we have been doing this term:

Twizel began the new year with students looking at their best parts of 2024.

In Mathematics, the classes have been looking at fractions, decimals and measurements. In English, we have concentrated on speaking, listening and communication this term. Students have prepared presentations, participated in short role plays and worked on their listening skills.

Working on division

Our roving reporter, Dante, gives his account of Twizel class's progress in English: *From writing simple sentences to learning new words, in a six month long term, Twizel has learned a lot of writing based English (P.S. I'm a bit better at the subject). Twizel class were able to write about ideas and write paragraphs. Twizel was also to figure out conjunctions and join sentences. Twizel was able to give opinions as well, and did a bingo on questions. In short, Twizel did incredibly well in English.*

Duke of Edinburgh Bronze Award

Year 13 students have begun volunteering on Thursday afternoons as part of their preparation for The Duke of Edinburgh bronze award.

I've started the Duke of Edinburgh, I am volunteering to gain the bronze award at the Cancer Research Shop.

I go every Thursday from 1.30 – 2.30. This week I priced toys with Harvey and really enjoyed it.

Work Experience

I work at Fair Close care centre. I work in the kitchen where I normally prep the vegetables. I help out by rolling out the stuffing balls, taking out the rubbish and the recycling to the bins. I help get deliveries ready. I also help out by washing up in the kitchen. I really enjoy doing this.

Joe

For work experience I go to St Joseph's school and I do repairs and I do other handy work.
