Class Name: Conway

Term : Spring 1 2025

Theme: Pets

What we have been learning

This term our topic has been pets.

We have loved playing with our toy pets and taking care of them in our role play vets area. We have been exploring different textures through our sensory story 'That's Not My Dog' and discovered rough, shiny, smooth, fluffy, bumpy, soft and hard.

In Maths we have worked on our counting skills, listening to counting songs and recognising numerals. We've also looked at different sizes of pets, identifying the biggest, smallest and those in between!

In English we have named animals and labelled them. We've been matching images and symbols of pets and continuing to practice recognising our names and photos.

This term we also celebrated the Lunar New Year! We tasted and played with noodles, and did some beautiful printing using bubble wrap to create our fabulous snake!

This term we have seen more children in the hydro pool and watching their confidence grow in the water has been truly wonderful!

Finally, while some of us have been working on building our focus during adult initiated tasks, others have been working on their transitioning skills. The children are showing more engagement in their environment each day and it's been great to see them get so involved! We have been transitioning around the school for a variety of different purposes – running errands, enjoying playtime in a different playground, venturing to soft play and hydro and to the kitchen for cooking.

It's been great to see the children grow and can't wait to see what's in store for next half term!

We hope you have a great week!

Catherine, Emma, Nikki, Sarah and Amber

Important Dates:

Friday 14th February – Term 3 Ends

Monday 24th February – Term 4 Starts

Tuesday 25th February – Incontinence Clinic

Friday 4th April – Last Day of Term 4
