Topic: What's on my plate?

## What we have been doing this term!

What an amazing term Danby Class have had!

In our life skills lessons we have enjoyed going out into the community and visiting a variety of places. We have been shopping in Tesco, cooking at Pizza Express, buying fruits at the market and buying and growing seeds from Thatcham Garden Centre. It has been an absolute pleasure to take Danby out and about this term!

Our communication lessons have linked closely to our trips out. After each trip, we discuss what we saw, how we felt and ask and answer questions about our morning out. We also did some fruit tasting which was very exciting!

In maths we have been learning all about money (and practising this skill during our community visits). In English, we have been designing menus, writing shopping lists and using adjectives to describe fruits!

In PSHE, we have been learning all about a healthy lifestyle. We have looked at the eat well plate and the importance of exercise.

We have also enjoyed 2 out of our 3 trips to Youlbury and played at Donnington park every Friday morning. Danby absolutely love their trips to the park and enjoy playing together here - it is lovely to watch and we will continue with our park trips next term ☺

Have a wonderful half term everybody!
