It's the end of another school year! Dover Class have all grown in independence and self-esteem, and have made so much progress socially. The students have amazed us everyday with their love of learning and general enthusiasm for everything they do – they really have been a joy to be around.

### **Here are just a few of this term's highlights...**

During our recent trip to Paultons Park, staff discovered that the boys in Dover Class are 'thrill seekers!' Despite heavy rain that day, students still wanted to go on all the 'scary' rollercoasters. Unfortunately, for the staff this meant they had to go on ALL the rollercoasters too!

Another highlight, has to be Dover performing 'Highway to Hell' at the bandstand at Victoria Park. Students worked extremely hard during their music lessons to learn how to play their instrument and then learn their part. The students all did amazingly. Everyone was so proud.

The Dover Team have thoroughly enjoyed working with each student and wish the students who are moving classes the very best. We will miss them! We ask that they all now use the next few weeks to rest and have a well-deserved break but most importantly stay safe as they enjoy their summer holiday. We will look forward to seeing everyone when they return in September 2024.

Finally, the Dover Team would like to say a huge thank you to YOU for your continued support this academic year.

Have a wonderful Summer!
