Class Name: Carisbrooke Term: Summer 2 2023-2024

So what have we thought about our year in Carisbrooke?

We have decided to do our newsletter a little different and asked your child to tell us about their year, sharing favourite learning and what they have enjoyed most this year. So here, we go...

Katie: I have really enjoyed joining Make Sense Theatre and meeting the characters, Monkey, Parrot and Eddie. I have loved singing the songs and the magic dream ball.

Immy: I love the way Jo and the rest of the teachers are very DRAMATIC on purpose!!! I was very insistent that we did time too!

Luke: I have been Jo's PA, making sure that her IT skills are up to scratch and always open the door to let my friends through.

Harry: My teachers have said I was beautiful at the Care Home, especially singing carols. Lisa B has looked forward to her daily dinner date and Jo has not been able to teach, without me keeping her focussed!

Selina: I enjoyed visiting the Care Home and being with the residents and making sure they were happy and had everything they needed for the activities.

Johney: I am the class entertainer, there is never a dull, quiet moment with me around! My tennis has really improved and never has anyone been such a grumpy villager!

Ollie: I have enjoyed absolutely everything and am super proud that I have tried lots of different fruits. I also have had fun with Kris learning the guitar.

Isla: I have been so busy in Carisbrooke, enjoying so much colouring. I am a whizz at tennis and Jo said 'it is as if I have always been in Carisbrooke.'

Tyler: I am the secret mathematician, who answers questions, which no one else can answer. My teachers, say I give them banter, which they all love!!!

Ryland: I have loved English and working hard. I have read nearly all of the Horrid Henry Books and my teachers are proud that I no longer ask for help with my learning.

Lisa B: I have really enjoyed seeing all of Carisbrooke flourish in their learning and become more independent.

Lisa H: I have really enjoyed getting to know everyone in Carisbrooke, we have laughed a lot and I will really miss them when I go to Post-16.

Louise: I have enjoyed working with everyone and seeing you all grow. It has been a joy being in KS4 and I am looking forward to Post-16

Jo: I am lost for words, Carisbrooke are all amazing and have inspired me daily and will all achieve enormous things. Keep being BEAUTIFUL!!!
