Class Name: Conway

Term: Term 6

What we have been learning this term:

Some photos of us!

A final big Hello from Conway class this year.

This term has seen the final performances from MakeSense Theatre in primary hall and the closing of The Dream Emporium, a lovely experience for Conway.

We've continued cooking and revisiting our most engaging recipe's as well as moving onto to different appliances including our blender to make fruit smoothies!

As we've moved towards the end of term we used the weather to expand our learning environment and include a range of different sensory learning activities around communication and shared play.

We've also utilised the limited sunny spells to have water play with our larger paddling pool, slip and slide and sprinkler. These sessions at the end of the year have been a lovely way to reflect on how far our sharing, turn taking and communication skills have developed as a group.

We've also gone further and wider in our transitions this term, taking trips over to secondary field to explore a wider range of play opportunities as a class.

This term has been a wonderful term for celebration and reflection in Conway. A huge well done to all of our students and a big final thank you to parents,

Have a wonderful summer and we look forward to seeing you in September

Conway Class Team
