Class Name: Balmoral

Term: Summer 2 2023-2024

Topic: Build it up!

What we have been doing this term:

This term we have continued our topic of 'Build it up!', focusing on houses and homes and building our independence in daily routines.

In English, we have explored 'The Three Little Pigs' through a sensory story. Within this, we have been listening and beginning to join in with repeated refrains, follow text in a book, turn pages appropriately and show anticipation for particular objects!

As part of our life skills, we have been taking part in a weekly round robin of activities, building independence in sorting cutlery, sorting recycling, sorting washing into lights and darks, sweeping, laying the table and cleaning the table!

In maths we have explored capacity, recognising the difference between full and empty as well as continuing our work in number, finding one more and one less within 20. We have begun to recap money in the last few weeks, matching coins and sorting them into categories.

The highlight of this term was definitely Sports Day! We are incredibly proud of everyone in Balmoral for taking part in the events to the best of their ability and we had a great day! Some of us also visited Paultons Park and had a wonderful day exploring the rides and some of us will also be visiting Thames Valley Adventure Playground.

It has been an incredible year in Balmoral Class and we wish you all a wonderful and restful Summer holidays!

Kate & The Balmoral Team

Dates & Points to remember:

Last day of term: Wednesday 24th July 2024

First day back: Thursday 5th September 2024

Last day of term: Friday 25th October
