

Classroom News

Class Name: Colchester Term: Term 6 2023-2024 Topic: What's on your plate?

What we have been doing this term:

Some photos of us!

This could be our busiest term yet! This term on top of our usual learning, we have had lots of mazing experiences outside of the classroom. It will be impossible to include everything so here are some highlights:

The Corn Exchange

As you know, we spent weeks rehearsing with Lottie in preparation for our performance of Fantastic MR Fox. Thank you so much for attending and supporting with picking up after the show. The students were fantastic, and truly professional. A moment to be proud of!!

Paultons Park

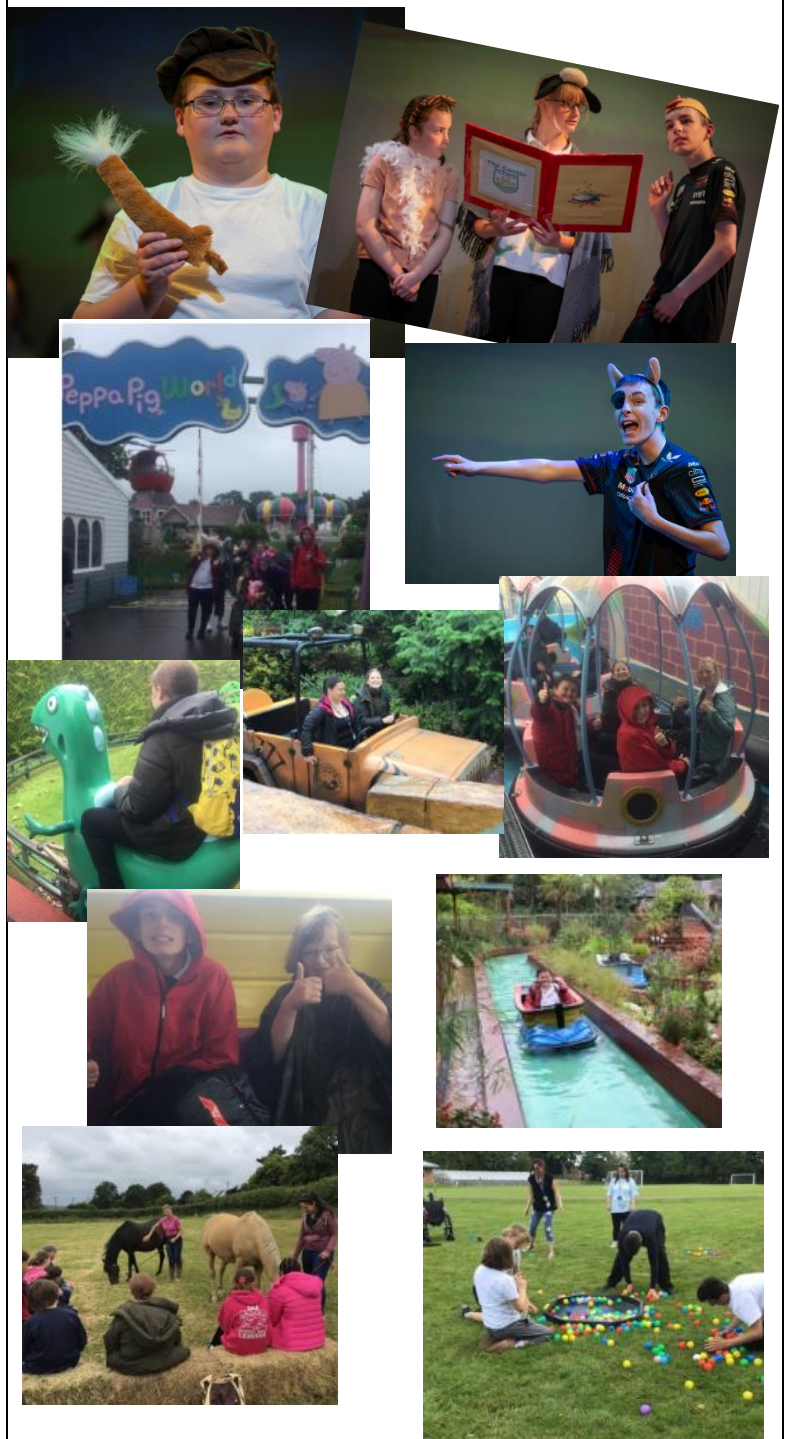

Thank you Emma for giving us all the opportunity to experience some amazing rides at Paulton's park. Colchester took themselves out of their comfort zones, some going fast, some high and some even spinning. The wet weather didn't stop us having the best day. ☺

Youlbury

Over our three visits to Youlbury, we have all had the opportunity to experience crate stacking, archery and even abseiling! We enjoyed a picnic lunch with our key stage and played outdoor games.

Bandstand and French

As always, Charles organised an amazing school event. Colchester performed 'Bonjour, Bonjour' at the bandstand in Victoria Park. The inspiration came from Colchester's French lessons delivered by Will. Will has taught Colchester Class a variety of French phrases such as greetings, feelings and colours. It has been a jam-packed and fantastic year. Thank you all so much for your support. Have a lovely summer holiday. ☺

Dates & Points to remember:

Pupils return to school Thursday 5th September.
