Class Name: Tiverton

Term: Summer 2 2023-2024 Topic: What's on our plate?

What we have been learning this term:

Wow! What a year it has been! Looking back we have done so much and it has been a real pleasure watching the students grow in confidence and independence. They have learnt to support each other when taking part in group activities and socially.

Highlights from this term:

Of the many trips and visits we've enjoyed this term, despite the drizzle, Paulton's Park trip was a definite highlight. The students challenged themselves, supported each other and had a wonderful day, mixing with friends from across the school

We were incredibly proud of Tiverton students at the Bandstand. Our super rappers performed their own works that they had written and practised independently. The class masked drama scenes, inspired by their workshop with Trestle Theatre Company, showed the students working together and expressing emotions through actions rather than through their faces. Their confidence performing in front of all those people was fantastic.

Tiverton staff would like to thank you for all the support that you have given over the year. We wish the students all the very best for next year and hope they have a well-deserved break over the summer.

Some photos of our learning:
